

Sponsorship needed for Snowdonia Trip

Dated: 23 May 2018

Dear Brothers/Sisters,

Assalam-o-Alaikum,

I am looking for someone to sponsor me take part in to climb mount Snowdon (North Wales) on Saturday 28th July 2018, while raising money for KRDF.

Kashmir Relief & Development Foundation (KRDF) is a Waltham Forest based registered Charity, formed in 2005 after the devastating earthquake. This Earthquake destroyed most of the infrastructure including most of the schools and colleges.

So far KRDF have successfully Rebuilt SEVEN Schools for children (Boys & Girls, Completed FIFTEEN Fresh Water Supply Schemes (Fresh Drinking Water), Set up TWELVE Mobile Vocational Training Centres for women and also a community Medical Centre is Under Construction.

KRDF is small Charity but making huge difference!!!

With your support, KRDF can maintain the Re-built schools, establish further training centres and provide many more Fresh water supply projects for people in need.

I would appreciate your support; your small amount of donation can make a huge difference in someone's life.

Kind Regards

Mahmood Hussain
Trustee KRDF
